SYMBOLS FOR 2002 SEASON CARDS

The symbols below are to be used with the 2002 season APBA baseball cards when laying the APBA Baseball Master Game.

Players are listed in the same order as they are on that year's lineup sheet, except that the additional (XB02) players are included as well. XB players are denoted as such.

The abbreviations heading the respective columns below are defined as follows:

- BC - batting characteristic
- St - steal allowance letter and success number
- Sp - speed rating
- Ar - arm rating
- PB - passed ball rating
- Th - throwing rating on steals
- Gr - numerical grade rating
- WP - wild pitch rating
- HB - hit batter rating
- BK - balk rating
- MF - move-to-first rating
- QR - fatigue rating

The proper utilization of each of the above symbols is described within the game instructions. Some symbols, of course, apply only to pitchers; others apply only to catchers.

An asterisk (*) following a pitcher's grade rating indicates it is strictly a relief rating. Some pitchers have separate ratings for starting and relieving.

NOTE: Some few player cards have an asterisk(*) following certain result numbers, providing for an immediate stolen base. This automatic steal DOES NOT APPLY when playing the Master Game. It is in effect only with the basic game.

SCORING CHANGE

WHEN THE THIRD OUT OF AN INNING RESULTS FROM BOARD #30 OR #32 WITH BASES EMPTY, SCORE IT AS PO-CF RATHER THAN LF OR RF.

The "BC" column, the number before the slash is ADDED TO (if it's a "-") or SUBTRACTED FROM (if it's a "+") the pitcher's grade when a lefty is on the mound. The number after the slash works the same way when a righty is pitching. A "+" helps the batter; a "-" hurts him.
