## 2013 Fair Oaks Giants Default Instructions

**Starting Pitching:** This is a very ordinary staff, both starting and relieving. Try to get as many innings as possible from the starters but do not hesitate to pull them in a close game. Unused starters go to the inactive roster.

**Bullpen:** Atchison is the closer. Do not be afraid to use him for more than an inning. Coleman and Burnett are setup men. Ayala and Salas may be used anytime.

**Hit & Run:** With any eligible hitter (2 31's) and Victorino or Pagan up. Any other base runner when it would make sense to or to stay out of a double play.

**Stealing:** Only Pagan and Victorino have enough attempts to go with any regularity. Send them in the later portions of the game if they are the tying or go ahead run.

**Pinch Hitting, Pinch Running:** Be aggressive. Don't be afraid to make a move.

**Defensive Replacement:** In the late innings of a close game bring the best gloves available.

**Base Running:** I like to be aggressive. I would rather a player be thrown out on the bases than left to die there.

**Infield Depth:** Play **"DEEP"** for the DP, unless the tying or go ahead run is on 3<sup>rd</sup> in late innings.

**Game Version:** Master Game.

First and foremost have fun. These instructions are meant as a guideline. Do not be afraid to do something else if it make sense to do so.
