Infield: Use your best judgment.

Intentional Walks Use your best judgment. I prefer to use this in game changing situations, don't let your big gun drive in the winning run if the base is open.

Sacrifice: Use your best judgment. Try not to take the bat out of the hands of the big hitters.

Pinch hitting/running: Usually the only pinch hitting will be for the catcher each game in the 7th or later otherwise only in case of injury

Hit and run: This is my favorite way to use my SBA's. In the sixth with the score -2 to +1 with Weeks, Tabata, or Izturis on base look to hit and run.

Steal: See Hit and Run we prefer that whenever possible over the straight steal

Positions:

Catcher- Jarrod Saltalamachia and Tyler Flowers will split time behind the plate this year.

First Base- Freddie Freeman should be here everyday all day unless injured.

Second Base- Jemile Weeks, and Chris Getz will cover second base most of the year.

Shortstop- Rookie Zack Cozart will be the main force at shortstop.

Third Base- Evan Longoria and Macier Izturis will split time at the hot corne

Outfield- Andre Ethier, Andy Dirks, Jose Tabata, Jordany Valdespin, and Brandon Boesch will all see time in the outfield.

Designated Hitter- Miguel Cabrera will be the everyday starter.

PITCHING:

Starter- Most of the starter should try to get into the 6th inning, Lee, Niese and Hammels should be given the chance to work out of a little bit of trouble. The rest will need watched a little closer. If we have a lead after 6 innings look to the bullpen except during Lee and Hammel's starts give them a little extra rope as there isn't much in the pen better.

Bullpen- The Bullpen should have 5 guys in the pen each month. We don't have a closer this year so use whoever makes the most sense. Danks and Wright are the only lefties. You can mix and match to try and spread around the innings needed to get through each game. I will send out details with each series as to how many innings each pitcher should be limited too.

Questions- Feel free to give me a call if you have any questions 740-361-1924.
