

Default Instructions for the **Computer Game**

Starting Pitching: Try to get as many innings as possible from the starters but do not hesitate to pull them in a close game.

Bullpen: Giles is the closer. Petit is the setup man and closer when Giles is not available. Hardy is the “lefty” specialist. The others may be used anytime.

Hit & Run: To stay out of a double play.

Stealing: Crawford and Jones are the main threats. Aybar, Jay, Pagan and Pence occasionally.

Pinch Hitting, Pinch Running: You’re discretion.

Defensive Replacement: In the late innings of a close game bring the best gloves available.

Base Running: I like to be aggressive. I would rather a player be thrown out on the bases than left to die there.

Infield Depth: Play **“DEEP”** for the DP, unless the tying or go ahead run is on 3rd in late innings.

Home Game Version: Master Game.

First and foremost have fun. These instructions are meant as a guideline. Do not be afraid to do something else if it make sense to do so. **I will be sending instructions each month.**
