

# 2016 Warrenton Giants

## Default Instructions

The Warrenton Giants have elected not to use a designated hitter. Please invalidate the DH for the Giants when loading the lineups. From the constitution *"Any owner has the option of not using the DH and letting the pitcher bat."* **Remember to use the TBL "Pitchers Hitting Card" for all American League pitchers.**

**Starting Pitching:** Try to get as many innings as possible from the starters but do not hesitate to pull them in a close game.

**Bullpen:** Mix and Match.

**Hit & Run:** To stay out of a double play or to advance a player into scoring position later in the game.

**Stealing:** Pagan and Crawford occasionally.

**Pinch Hitting, Pinch Running:** You're discretion.

**Defensive Replacement:** In the late innings of a close game bring the best gloves available.

**Base Running:** I like to be aggressive. I would rather a player be thrown out on the bases than left to die there.

**Infield Depth:** Play **"DEEP"** for the DP, unless the tying or go ahead run is on 3<sup>rd</sup> in late innings.

**Home Game Version:** Master Game.

**First and foremost have fun.** These instructions are meant as a guideline. Do not be afraid to do something else if it make sense to do so.
