

2019 Warrenton Giants

Default Instructions

The Warrenton Giants have elected not to use a designated hitter. **Please invalidate the DH** for the Giants when loading the lineups.

Starting Pitching: The starting rotation is solid and should get to the middle innings in most games. Go to the pen if they are downgraded or in trouble and help is needed.

Bullpen: Barnette has the best grade but never should be used for more than an inning. Otherwise mix and match.

Hit & Run: I like to use it to stay out of a double play or to advance a player into scoring position later in the game or to get extra hit numbers versus high grades.

Stealing: Trout, Engle and Span are the only players with any number of steals.

Pinch Hitting, Pinch Running: Your discretion but keep in mind double switches.

Defensive Replacement: When the Giants lead in the late innings of a close game bring the best gloves available, Mathis C (9), Gonzalez 1B (5) & Engle OF (3).

Base Running: I like to be aggressive. I would rather a player be thrown out on the bases than left to die there. Force the other team to make the perfect play and make errors.

Infield Depth: Play **“DEEP”** for the DP, unless the tying or go ahead run is on 3rd in late innings.

Home Game Version: Master Game.

Road Mangers: Sending of scripts or score sheets is optional. If computer players wish to use a micro manager let me know and I will send you one I created.

Primarily, have fun. These instructions are meant as a guideline. Do not be afraid to do something else if it makes sense to do so.
