Expected Roster Move-

Pitching

Starters: A mess this year. The goal will be to get through the season. Starters should go until fatigue, or if before the 6th, until pounded out.

Rules for Starters:

- Do not remove a starter if pitching a shout-out
- Remove a starter that is fatigued or reduced, unless we lead by more than 5 runs, in which case he can pitch till the game is within 5 runs

Relievers: Lots of innings, although with the state of starters we'll be hard pressed to get wins and through games

Roles:

Closer- Tanner, Scott (20)- Another year, another closer. Almost 60 innings. Can pitch 1.2 to get the save

Setup- Wandy Peralta, Evan Marshall, Tyler Zuber, Matt Barnes – 264 innings of 13-15 make up the bulk of the best of the pen. In June **Austin Gomber** joins this group

Middle –Blake Trienen, Cole Sulser - 120 Innings of ten to come in early if game is still close.

The Rest- Steve Cishek, Kyle Crick, Zack Burdi and innocuous bunch for when the starters are pounded out and the game is out of reach.
